

**Royal Arch Masons of Nova Scotia and Prince Edward Island  
Annual Golf Tournament**

**Special Notice to all Chapters**

**Companions:**

The monies raised by this tournament for the Glaucoma Research Foundation is given on behalf of all Royal Arch Masons in our jurisdiction. Therefore, to us the organizers it only seems fair that we ask all Chapters to participate in some way to make it a huge success. With this in mind, we are most heartily requesting that each chapter sincerely canvas your areas for \$350.00 (Gold) or \$200.00 (Silver) sponsors for designated holes; or at the very least, a donation of prizes or money that can be used to purchase prizes.

We feel fairly confident that within the area of each Chapter there is at least one company, business or individual, possibly more, that if approached by someone from your Chapter would be very happy to donate to such a worthy cause. All it takes is to ask; so please designate someone from your Chapter to take a copy of the Letter of Introduction (enclosed) and start canvassing your district for sponsorships. Remember to inform them that a tax receipt will be mailed out from the Foundation for their donation.

Individual Chapters are also welcome to donate to the \$350.00 or \$200.00 sponsorships. Their names and numbers will be placed on signs at the tee off spots.

**Also companions can make a donation to the fund and they will also receive a tax receipt and their name will go on the sponsor board**

Remember, that what goes into the Glaucoma Research Foundation is in all our names, so let's get wholeheartedly behind it and endeavour, this year, to drive it over \$10,000.00

Thanking you in advance

J Hugh Palmer and Michael Chapman  
Tournament Organizers

NOTE: Any sponsorships or donations **must** be in our hands prior to June 3<sup>rd</sup>, 2017 so that signs may be made for placement at the TEE-OFF's. A letter of introduction for canvassing is enclosed; feel free to make copies.
